

RoHS Declaration of Conformity

The European Union Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment 2002/95/EC (RoHS) became operative on July 1, 2006. The directive restricts the use of the following substances:

- Lead (Pb)
- Cadmium (Cd)
- Hexavalent chromium (CrVI)
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)
- Mercury (Hg)

WEY Elektronik AG herewith declares that all our products conform to the RoHS Directive and that our manufacturing processes have been in accordance with the guidelines since 2004.

WEY also conforms to the EU Waste from Electrical and Electronic Equipment (WEEE) Directive 2002/96/EC regarding the collection, recycling, sorting, processing and disposal of electrical and electronic products.
