End of Life Announcement

Dear Customer,

Products developed and manufactured by WEY are subject to typical product life cycles. When planning for new product releases, we pay close attention to the steady advancement of technology, new production processes and in particular, evolving environmental requirements (RoHS). This also means that the production of certain products can be phased out and replaced by a successor model.

Please note that the production, distribution and support of the following product(s) will be discontinued as follows:

WEY Part No. 22411x USB Deskswitch II 1 to 4

End of Sale: 31.12.2018

End of Hardware and Software Support: 31.12.2019

Limited technical support on a best effort basis: After “End of Software Support”

The following successor model(s) are now available and customers are encouraged to migrate to:

WEY Part No. 22412S USB Deskswitch III Standalone

Thank you for your attention to this matter, and please do not hesitate to contact your Customer Service Manager at WEY if you have any questions about this announcement.

Best regards

WEY Technology AG

Martin Fehr

Head of Development
