**IP Remote**

IP KVM Extender (Keyboard, Video, Mouse)

**Application example: Point-to-Point Environment**

**Workplace**

- Video 1
- Video 2
- KB / mouse
- Speakers
- USB
- Microphone

**System Room**

- Video 1
- Video 2
- USB 2.0
- Keyboard / Mouse
- Audio IN
- Audio IN/OUT

**WHY WEYTEC**

**HIGH SPEED, LOW LATENCY**

... real-time transmission via TCP/IP

**WHY WEYTEC**

**NON-INTRUSIVE SOLUTION**

... no software installations on customer PCs

WEYTEC KVM over IP solutions house all your PCs and information sources in a centralized server room where they are stored, protected, cooled cost-effectively, and maintained easily and efficiently. This saves electricity, increases the average life span of hardware, precludes breeches of IT security and virtually eliminates expensive moves, adds and changes. In case of a PC failure, users can switch instantly to a spare device. KVM over IP solutions enhance workflow efficiency, workplace ergonomics and IT security.

- Remote dedicated, shared and switched PCs
- Digital transmission, standard IP
- Available with DVI (VGA) and DisplayPort
  Video resolutions up to 2x 4K@60Hz
- Transparent USB 2.0
- Dual channel stereo audio
- Data transmission over copper and/or fiber
- Increased rack density with dual transmitters and receivers
- Universally applicable for all hardware platforms
- No distance limitations
Application example: Switched Environment

Available products

**IP Remote I**
- Product No. 24870TR & 24870RR
- Video (max. resolution): 2x DVI-I (DVI / VGA) 2x 1920x1200@60Hz or 1x 2560x1600 (Dual Link)
- USB: Keyboard/Mouse, MSD
- Audio: Line (Stereo), Mic (Stereo)
- Ethernet (SFP): 1 Gbit via copper or fiber
- Mounting: Chassis and Boxes

**IP Remote II**
- Product No. 24872T & 24872R
- Video (max. resolution): 2x DVI-D 2x 1920x1200@60Hz
- USB: Keyboard/Mouse, Transparent USB 2.0 Full Speed channel for isochronous USB devices
- Audio: Line (Stereo), Mic/Line (Stereo)
- Ethernet (SFP): 1 Gbit via copper or fiber
- Mounting: Chassis and Boxes

**IP Remote II DP**
- Product No. 24872TDP & 24872RDP
- Video (max. resolution): 2x DisplayPort Channel 1: 2560x1600@60Hz Channel 2: 1920x1200@60Hz
- USB: Keyboard/Mouse, Transparent USB 2.0 Full Speed channel for isochronous USB devices
- Audio: Line (Stereo), Mic/Line (Stereo)
- Ethernet (SFP): 1 Gbit / 10 Gbit via fiber
- Mounting: Chassis and Boxes

**IP Remote III 4K**
- Product No. 24873T & 24873R
- Video (max. resolution): 2x miniDisplayPort 2x 4096x2160@60Hz
- USB: Keyboard/Mouse, Transparent USB 2.0 Full Speed channel for isochronous USB devices
- Audio: Line (Stereo), Mic/Line (Stereo)
- Ethernet (SFP): 1 Gbit / 10 Gbit via fiber
- Mounting: Chassis and Boxes
